CHRISTMAS MAIL FOR OTHER LANDS

Presents from Gettysburg Go to
Russia, Germany and England.
Some Send Cash Christmas Pres-
ents to their Homes across the Sea

Gettysburg has sent its Christmas
presents for this year to many for-
eign lands, Germany, Russia and Eng-
land having the bulk of the foreign
mail that has gone out from the local
post office.

This mail has in most instances
been on its way for some days, being
shipped from here in ample time to
reach its destination before December
25, though some have been a little
late and waited until this week to dis-
patch their presents. Money orders for
foreign lands have been issued, also,
and in many instances they have gone
to the families of former residents of
the Czar's domains. Russia gets most
of the cash Christmas presents sent
from Gettysburg to foreign lands.

In addition to those who are remem-
bering their home folks, many local
people have friends living or traveling
in European countries and a surpris-
ing amount of outboard foreign mail
could be seen at the local office during
the early part of the holiday season.
What incoming mail there may be has
not yet started to arrive.

The office is taking on more of a
holiday appearance daily and the car-
riers are rapidly beginning to feel the
near approach of the Christmas rush.
Parcels by the score are brought in by
every mail and the bulky bags make
quite a pile during the time the mail
is in course of distribution.

"An old gentleman by the name of
W. D. Biesecker has been adjudged in-

to be laboring under the delusion that
he had lost some money and that he
had invented certain (impossible)
patents. He had a lot of papers in his
possession and I found your name on a
letter. Of course, we knew nothing
about him, but he will be sent to the
state insane hospital this week. I
would appreciate it if you would take
the trouble to give me any infor-
mation you have concerning this unfor-
tunate old man."

BLAZING TRAIL OF LINCOLN WAY

Automobile from Mexico to Getty-
sburg, by Way of California and
the Middle West, Covers Route
of the Lincoln Highway.

Blazing the trail for the proposed
Lincoln Highway from coast to coast,
the "Sunrise Crew" arrived in Getty-
sburg late Thursday afternoon after
having come all the way from Mexico.
They left for Washington this morn-
ing.

A. M. Paterson, of Los Angeles, and
E. Mitchell, of Detroit, make up the
crew which elected to add a little
more than the regular route to their
trip and started in the south, work-
ing their way up into California and
the actual starting point of the big
memorial highway.

In their Winton roadster they en-
countered all sorts of weather and
roads on their trip but they looked
none the worse for their experiences.
The car showed plainly the travel
stains of the journey but seemed to be
holding up well under the strain. It
was well decorated with legends and
the names of the principal points
visited.

After a short stay in Washington
the motorists will start on the return
trip to Detroit.

WOMAN ARRESTED

White Hall Resident Charged with
Theft of a Set of Furs.

High Constable John A. Duttera, of
Hanover, arrested Mrs. Cora Bair, of
near White Hall, charged on oath of
Michael S. Niles, Esq., of York, re-
ceiver of the Talbot scores, with the
theft of a set of furs valued at \$85
from the Hanover store several weeks
ago.

The accused was taken before Squire
Mayers, of Littlestown, where she
gave bail for a hearing. The furs are
said to have been recovered by Man-
ager Young, of the store, having been
found in a yard.

It is supposed that whoever stole
the furs feared that they were being
watched and, therefore, sought to
avoid suspicion by getting rid of the
stolen articles.

CLAIMS HONORS AT ROUND TOP

Says that he Fired the First and Last
Shots at Round Top and would
Like Record Made of the Fact.
Are Investigating.

William J. Brown, of Normalville,
Fayette county, has written to the At-
torney General stating that he fired
the first and last shots at Little
Round Top at the Battle of Getty-
sburg and asking that a record be made
of the fact in the State archives. His
letter, which also contains some inter-
esting personal history, will be sent to
the State Museum authorities for ver-
ification and also to Colonel Lewis E.
Beitler, who is compiling the record of
the great reunion last July.

Mr. Brown's letter, which is written
in the chirography and orthography of
many years ago, says: "I am the only
soldier of either army that gave three
cheers for the Union on Little Round
Top on the second day of July, 1913.
It was then fifty years to the day since
I gave three cheers there, single and
alone, in full view of the enemy's line
of battle." His phraseology is a little
different, but that is what he tried to
write.

Then the letter contains this state-
ment: "I was the only occupant of
Little Round Top for about half an
hour before our line came up. Will
say I fired the first and last shot on
Little Round Top and think this ought
to be recorded."

Mr. Brown also sent Attorney Gen-
eral Bell a photograph of himself giv-
ing the three cheers with the Stars
and Stripes waving over him on July
2, 1913.

SHEPHERD OF THE HILLS

Gaskill and MacVitty announce for
production at Walter's Theatre on Fri-
day, December 19, Harold Bell
Wright's dramatization of his very
popular novel, "The Shepherd of the
Hills". In making the dramatization,
Mr. Wright was collaborated with by
Elsbery W. Reynolds. "The Shepherd
of the Hills" is a story of humor and
pathos told in a simple, direct man-
ner, of love, mystery and heroism,
with its scenes all in the Ozark moun-
tains, Southern Missouri, where the
author lived and preached for some
years. There are several exciting in-
cidents, including the night ride of the
splendid heroine over the hills through
a storm; an attack upon the shepherd,
and the moral victory of a man when
a panther is about to spring upon his
rival, but there is no melodramatic
touch to the play.—advertisement

GEORGE RULE AT NEW REVOLUTION REPUBLIC TO END MENACES MEXICO

Conduct of Founder of Institution is Condemned.

USED HYPNOTIC INFLUENCE VILLA TO ATTACK CAPITAL

After a Probe of Six Months Report Urges Removal of George on Charges Preferred by Three Young Women.

New York, Dec. 19.—Removal of William R. George from active participation in the affairs of the George Junior Republic, at Freeville, N. Y., founded by him more than ten years ago, is recommended by the state board of charities in a report adopted by the board. George's moral conduct is severely condemned.

An investigation was begun more than six months ago and resulted in the recommendation. More than fifty witnesses in six states were examined with regard to charges of loose living made against George by three young women, former members of the republic, and no verdict as to whether the charges were proved was rendered by the committee under whose direction the investigation was made.

The board strongly condemned the conduct of George in dealing with members of the republic and adopted a resolution recommending that Mr. George be removed from all connection with the republic.

The board also recommends that no more girls be received at the republic, and that those now there be speedily removed to other institutions.

George had not been actively connected with the republic for some time past. His retirement from the directorate of the national organization of the republics, it is believed, is forecast by the report.

The George Junior Republic was founded by William R. George as a harbor of refuge for bad boys. Its first members were the trunks of the old Bowery, the youths who said they "never had a chance."

Of George's conduct the report says in part: "In view of certain confessions and statements made by him (George's) exercise of hypnotic influence upon the citizens of the republic, and his admissions of lapses of memory, as testified before the joint committee of the National Association of Junior Republics, his presence in the institution is clearly an embarrassment." It was brought out in the course of testimony taken by the committee that George had practiced hypnotism to such an extent that he could hypnotize himself by a flash of light before a mirror. Sometimes he did so, it was testified, and had to be awakened from the spell by some one else being unable to throw it off himself. It was also testified that George frequently hypnotized members of the republic.

WANT U. S. TO MINE RADIUM

A. I. Dupont and Dr. Kelly Have Plan to Help Cancer Sufferers.
Philadelphia, Dec. 19.—A plan for the United States government to take over the radium deposits in this country in the interest of humanity and turn over the product to physicians to be used in fighting cancer was announced here by Alfred I. Dupont, of Wilmington, Del., and Dr. Howard A. Kelly, of Johns Hopkins university, Baltimore.

Mr. Dupont controls "Quartz Hill," in Gilpin county, Colo., which contains the largest pitchblende and carnotite deposits in the world. The tentative plan calls for a central institution where radium is to be prepared and distributed to clinics in an effort to decrease the toll of 75,000 lives which cancer claims annually. This action follows the recent announcement of Doctors Kelly and Robert Abbe, of New York, that radium cures many forms of cancer, but that its scarcity and enormous value make it impossible for present general use.

Vandals Wreck Carnegie Library.
Oberlin, Ohio, Dec. 19.—Vandals wrecked the interior of the new Carnegie library here, which is used jointly by Oberlin college and the town. Books and magazines were thrown about in great confusion and all card index files destroyed. Restoration will cost several hundred dollars and require protracted labor. Meanwhile the building will be closed and college reference work handicapped.

Taft's Son Now a Lawyer.
Columbus, O., Dec. 19.—Among a class of sixty-four young men who were sworn in as practicing attorneys was Robert A. Taft, son of former President Taft. Two others sworn in are the sons of former slaves. They are Howard Gilliland, messenger to Governor Cox, and Samuel Huffman, of Springfield.

Motor Racer's Son Killed.
Indianapolis, Dec. 19.—Raymond Harroun, Jr., the ten-year-old son of Raymond Harroun, winner of the first 500-mile automobile race held at the Indianapolis Motor Speedway in 1911, died at a hospital here, the result of injuries received when he was struck by an automobile. The boy was injured internally.

Herzog to Manage Cincinnati.
Cincinnati, Dec. 19.—Charles Herzog, formerly with the New York and Boston National League clubs, was chosen as manager of the Cincinnati team for the season of 1914. After a conference with President August Herrmann and Secretary Harry Stephens, Herzog signed a contract as a player for a year and was then officially made manager.

NEW REVOLUTION MENACES MEXICO

Plot Aims to Place Vasquez Gomez in Presidency.

Rebel General Raising Army to Co-operate With Insurgents in March Upon Mexico City.

El Paso, Tex., Dec. 19.—The arrest here of a dozen men revealed the fact that a new Mexican revolt is fomenting, with the purpose of landing Emilio Vasquez Gomez in the presidency. Gomez was a candidate for president in the recent Mexican election, opposing Huerta on the anti-election ticket, but was compelled to flee the country several weeks before the election took place.

The new uprising has the support of General Felix Diaz, Ex-Governor Gayou, of the state of Coahuila, has arrived in El Paso from Havana, Cuba, where he was in conference with General Diaz.

According to documentary evidence, which was obtained along with a large quantity of arms and ammunition, efforts have been made to have General Pascual Orozco and General Salazar and other Federal commanders at Ojinaga join the revolt against President Huerta.

Dr. Gomez is believed to be in El Paso. Letters seized by the United States authorities indicate that the Gomez insurgents planned to strike their first blow about Christmas, following the entry of Gomez into Mexico at La Palomas. The junta also had circulars printed giving the platform of the Vasquez Gomez insurgents, and announcing that General Emiliano Zapata had embraced their cause. The platform calls for seizure of all lands owned by the rich and equal distribution of wealth among the poor.

While the Federals in northern Mexico are planning to advance on General Francisco Villa and recapture Chihuahua, that rebel commander is preparing to co-operate with the Zapatistas and the insurgents around Tampico and march upon Mexico City. On this account the military events of the next week or two may be fraught with great importance.

Villa is laying plans to raise an army of 15,000 men for his proposed advance on the capital, according to refugees arriving from Torreón. General Villa's seizure of Federal trains in his victory at Tierra Blanca and later at Villa Ahumada give him plenty of equipment for a hurried trip to the capital to prevent being bottled up by the Federals who have threatened to attack him.

Generals Orozco and Salazar, commanding irregular troops, have been ordered from Ojinaga, opposite Presidio, Texas, by General Merced, who has been directed by the Mexican war department to attack Chihuahua with 5000 men.

Villa has already sent Manuelito Herrera with his command at Parral where the rebels are to be joined by several thousand recruits who have been operating in the vicinity of Parral and Torreón.

To check the advance of the rebels southward are Generals Velasco and Argumendo with 5000 Federals at Torreón. The refugees assert it is Villa's plan to reinforce Herrera from his own command at Chihuahua, now numbering 1500, but which will be augmented by the force which was sent to harass the Federals in their flight to Ojinaga.

Pablo Gonzales, commander of the victorious rebels at Victoria, is also counted on to join Villa's advance with his force of 5000, making an army of 15,000, to attack Mexico City from the north, while Zapata and the other leaders close in from the south and east.

WOMAN STARVES TO DEATH

Mrs. Louise Loughlin Dies In Asbury Park Hospital.
Asbury Park, N. J., Dec. 19.—Found unconscious by church workers in her room at the Harvard boarding house where she lived as a recluse, Mrs. Louise Loughlin, an old woman, who formerly lived in Philadelphia, died at the Ann May hospital from heart trouble brought on by lack of nourishment.

Although she is said to have been possessed of means there was no food found in her rooms. Little is known of Mrs. Loughlin. She is said to have been a teacher in the family of the late Dr. Githens, of Philadelphia.

Oscar Wilde's Son to Marry.
London, Dec. 19.—Vivian Holland, the younger son of Oscar Wilde, is to be married in London next month to Violet Craigie, daughter of an officer of the Royal Dragoons, now dead. Vivian changed his name after his father's conviction. At the same time Mrs. Wilde sued for a divorce.

ARMED DROP BOMB ON MOORS

Spanish Aviators Hurl Explosives on Enemy During Battle.

Madrid, Dec. 19.—A large force of Moorish tribesmen was routed with heavy loss by the Spanish troops at Muley Abselan, Spanish Morocco. Spanish military aviators threw the Moors into disorder with showers of bombs.

When the order for the general advance of the Spanish column was given the advance guard discovered several thousand Moorish mountaineers concealed in the irregularities of the ground.

A flotilla of military aviators was sent up to reconnoitre. By means of flag signals the aviators guided the column of Spanish troops. A heavy bombardment was opened by the Spaniards, without effect.

The aviators then ascended to an altitude out of range of rifle fire and flew directly over the places where the Moors were in the greatest numbers.

Then came what the dispatch to the Spanish war office describes as a "veritable rain of bombs, tossed by hand by the airmen into the midst of the Moors."

After this bombardment the Spanish infantry charged with the bayonet and dislodged the Moors from their positions, causing them to flee in great disorder, leaving large numbers of dead and wounded on the field.

The Spanish troops also lost a considerable number of men, as the rifle fire of the Moorish tribesmen was very accurate.

PRESIDENT TO TAKE THREE WEEKS VACATION

Going Away For a Rest When Currency Bill Is Passed.

Washington, Dec. 19.—Although President Wilson's physician declared that the president was fully recovered from his attack of the grip, Mr. Wilson did not go to the executive offices. He will probably continue to work in the White House study for the remainder of the week.

Secretary Tumulty said that the president is planning a three weeks' vacation to be begun as soon as the currency bill is disposed of. He hopes to be able to sign this measure early next week.

"The length of time of the vacation," said Mr. Tumulty, "will, of course depend on the plans made by congress for its holiday recess. It is likely, however, that congress will adjourn immediately after the currency bill is out of the way until about Jan. 12. This would enable the president to get away from the capital for at least three weeks and secure the rest which it is admitted he badly needs."

"Just where this vacation will be spent has not been finally decided. The President and Mrs. Wilson are considering a number of places and will finally agree on the one which promises the best opportunity for a rest."

AFIRE: JUMPS TO DEATH

Man With Clothes Aflame Leaps Into River From Torpedo Boat.

Philadelphia, Dec. 19.—Frank Keller, twenty years old, was drowned when he jumped into the Delaware river at Cramps' shipyard with his clothing ablaze.

Keller was working inside the torpedo boat Parker, which is nearly completed, when his clothing became ignited by a lighted candle. He ran to the deck and jumped into the river with his clothing in flames.

He did not rise to the surface, and it is believed that the shock of plunging into the cold water rendered him unconscious. His body was finally recovered.

No Graft In U. S. Supplies.

Washington, Dec. 19.—Charges of graft in the purchase of government supplies totaling many millions of dollars were found baseless and errors in the award of contracts were minor, according to findings of a special commission appointed to investigate by Secretary of the Treasury McAdoo.

Students Meet the Pope.

DROPSY TREATED FREE

FRANKLIN MILES, M. D., LL. B.,
The Great Heart and Dropsy Specialist, Will Send a New \$4.75 Treatment Free.

Many "Hopeless" Cases Soon Cured After 5 to 15 Doctors Failed.

At first this disease is apparently more harmless than dropsy, a little swelling of the eyelids, hands, feet, ankles or abdomen. Finally there is great shortness of breath, smothering spells, sitting up to breathe, cough, faint spells, some times nausea and vomiting, even bursting of the limbs and a lingering and wretched death if the dropsy is not removed.

Dr. Miles has been known as a leading specialist in this disease for 30 years. His liberal offer is certainly worthy of serious consideration. You may not have another opportunity.

The Grand Dropsy Treatment consists of four dropsy remedies in one, also Tonic Tablets and Pura-Laxa for removing the water. This treatment is especially prepared for each patient and is at least ten times as successful as that of most physicians. It usually relieves the first day, and removes swelling in six days in most cases. Delay is dangerous.

Mr. D. O. Hughes, Marlin, Texas, cured after 3 physicians failed. Mrs. Sarah A. Boyd, 23 So. Frederick St., Oelwein, Ia., cured after giving up. Mrs. Elvina Sonders, Decatur, Neb., cured after 10 physicians failed. Mrs. A. J. Nash, Minden, Neb., cured. Limbs swollen up to the body. Mrs. J. Y. Davidson, Galveston, Wis., cured after 6 physicians failed. Mrs. Julia Breaud, Dugdale, Minn., cured after being pronounced incurable by three physicians. Mr. John T. Alexander, Elwood, Ill., cured after 4 failed. Dr. Miles' Book contains a large number of remarkable cures.

All afflicted readers may have his new Dropsy Book, Examination Chart, Opinion, Advice, and a \$3.75 Treatment free, Write at once. Describe your case. Address, Dr. Franklin Miles, Dept. DE, 565 to 575 Main Street, Elkhart, Indiana.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Lustre and Abundance.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Words of Praise

For Mayr's Wonderful Stomach Remedy

"How thankful we are to you for getting a hold of your wonderful Remedy. My wife could not have had but a short time to live if she had not taken your Wonderful Remedy when she did. One more of those paroxysms pains she was having would have killed her without a doubt. Now she is free from all pain, free from heart trouble and free from that disturbing Neuralgia—all the results of five treatments—and the expulsion of five or six hundred Gall Stones. Now she is able to eat anything she wants and her appetite is good and before taking your medicine she had no appetite and when she ate anything she would suffer death for so doing and could not sleep at night; since taking your treatment she sleeps well all night long. T. A. NEAL, Koonoke, Texas."

The above letter should convince you more than anything we could say in behalf of Mayr's Wonderful Stomach Remedy. Sufferers should try one dose of this Remedy—one dose should convince them that they can be restored to health. Nearly all Stomach Ailments are caused by the clogging of the intestinal tract with mucoid and catarrhal accretions allowing poisonous fluids into the Stomach and otherwise deranging the digestive system. Mayr's Wonderful Stomach Remedy painlessly removes these accretions without a surgical operation and puts an end to Colic Attacks, Gases in the Stomach and Intestines and all of the usual symptoms of Stomach, Liver and Intestinal Ailments. Ask your druggist about Mayr's Wonderful Stomach Remedy or send to Geo. H. Mayr, Mfg. Chemist, 154 Whiting St., Chicago, Ill., for free booklet on Stomach Ailments and many grateful letters from people who have been restored.
